

I should be able to get out of this gorge before they do...

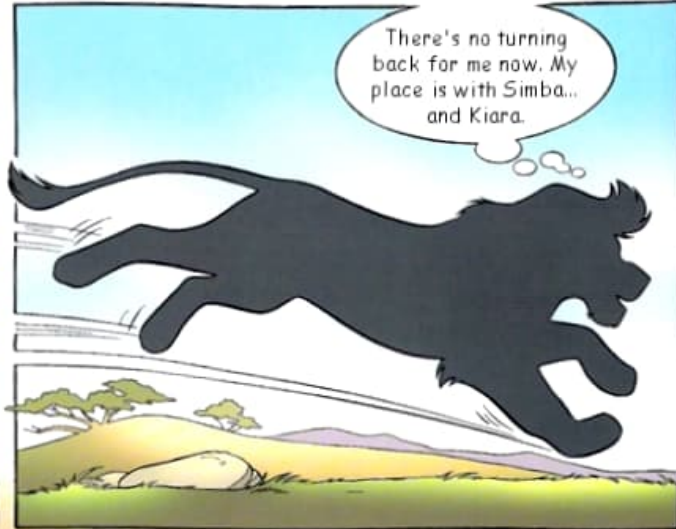

Remember your training! Work together!

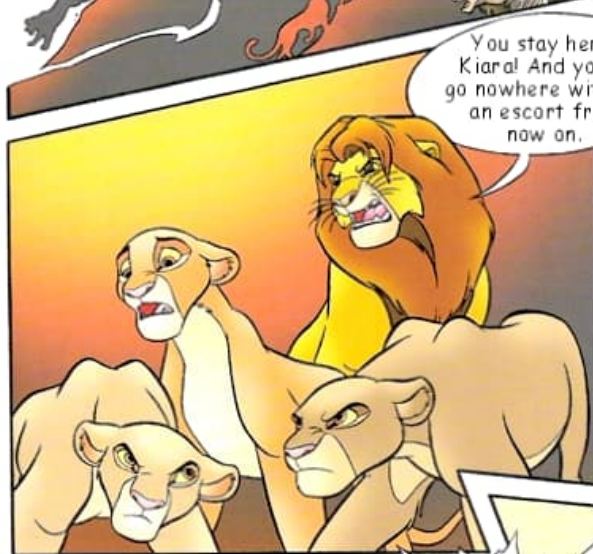

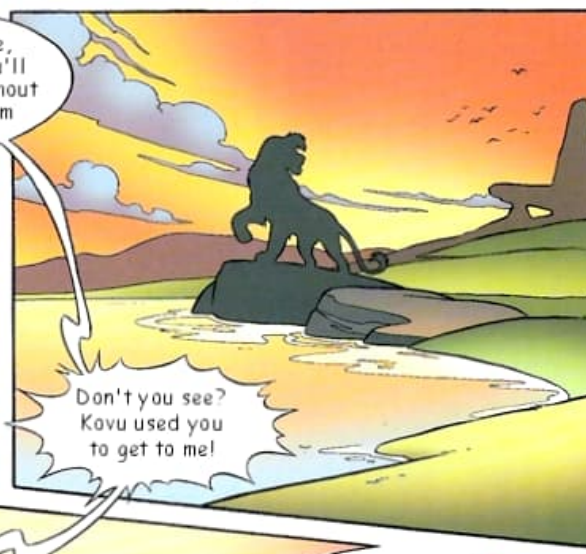

You stay here, Kiara! And you'll go nowhere without an escort from now on.

He's following in Scar's pawprints...

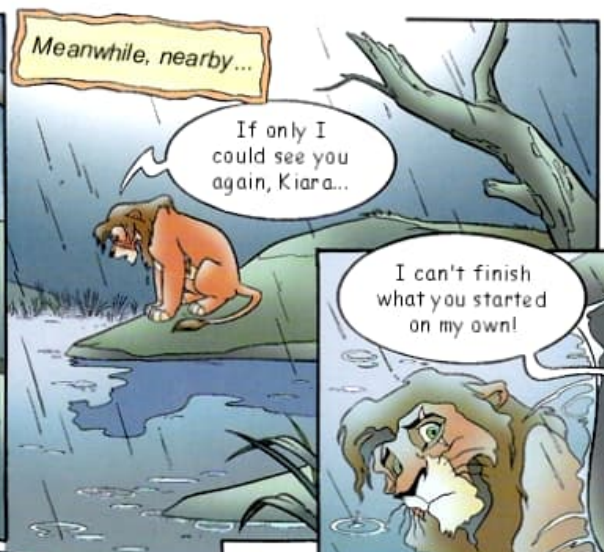

And I have to follow in my father's.

You don't know Kovu! He loves me! You will never be Mufasa!

She must hurry! The Outsiders are already on the warpath!

Meanwhile, nearby...

If only I could see you again, Kiara...

I can't finish what you started on my own!

But **TOGETHER** we can!

We are one!

KIARA!

She's **ESCAPED?! A great pair of guards YOU are!**

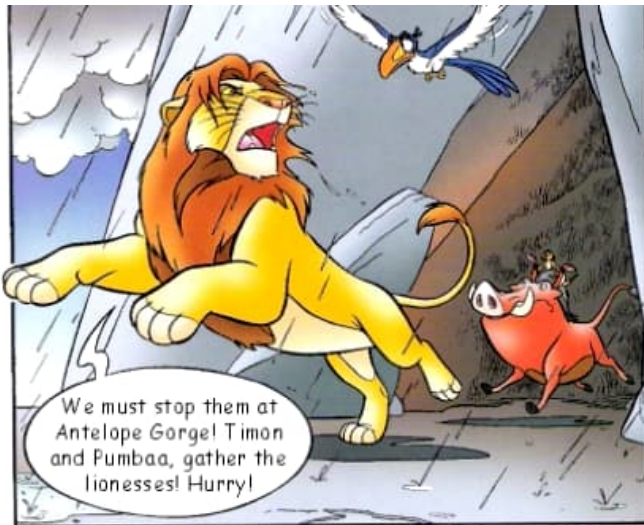

You left Pride Rock? So...so you **DO** love me!

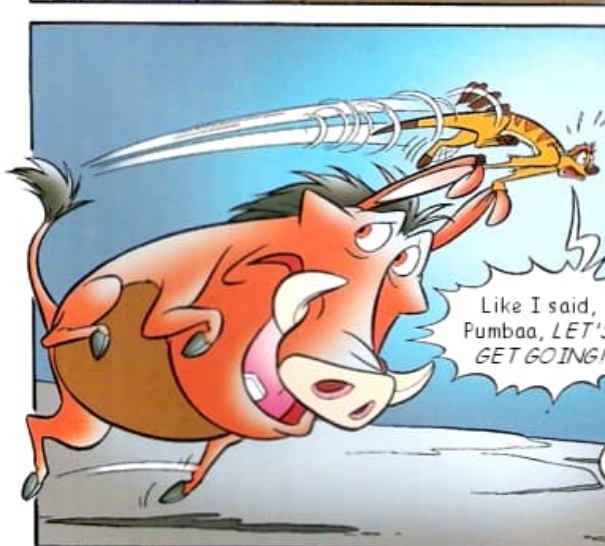

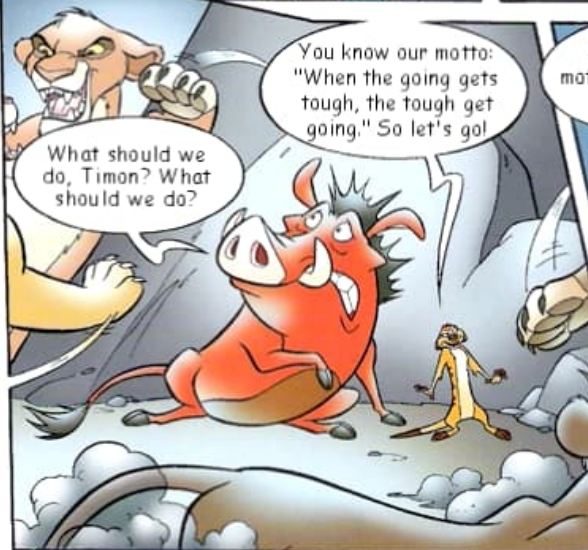

SIRE! SIRE!

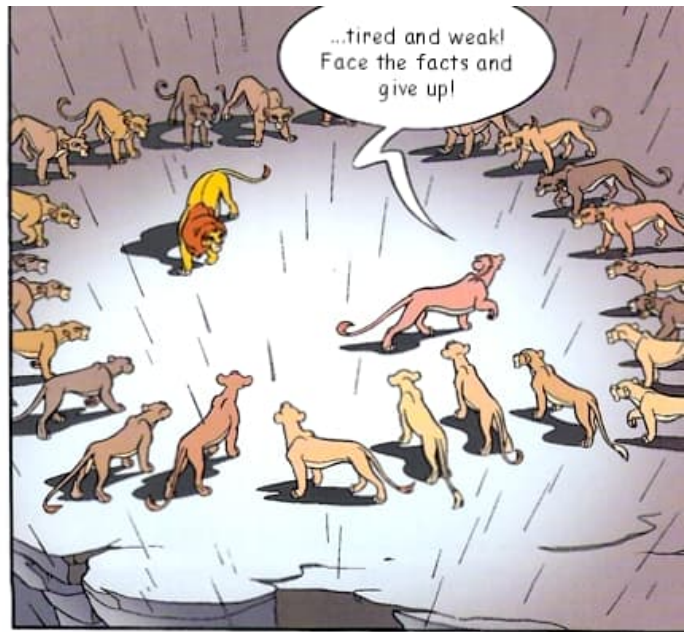

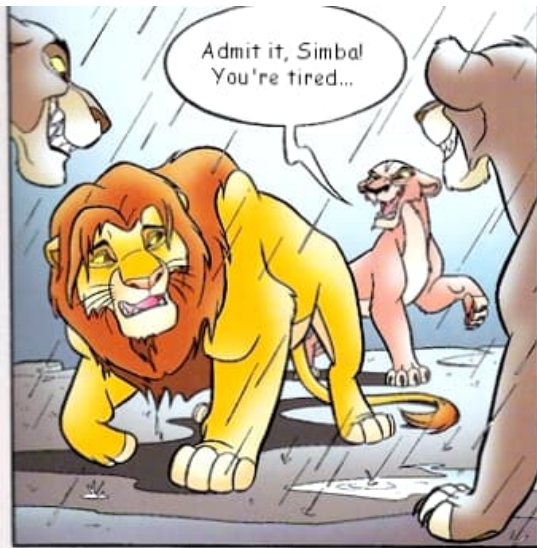

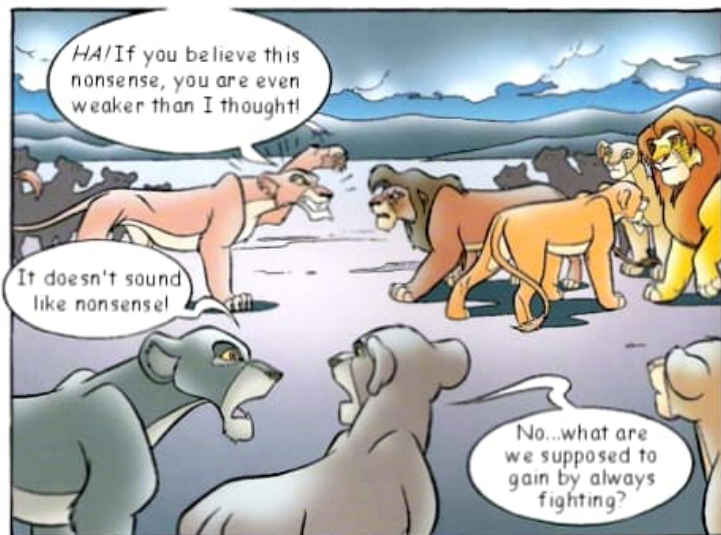

The Outsiders are heading this way! It's **WAR!**

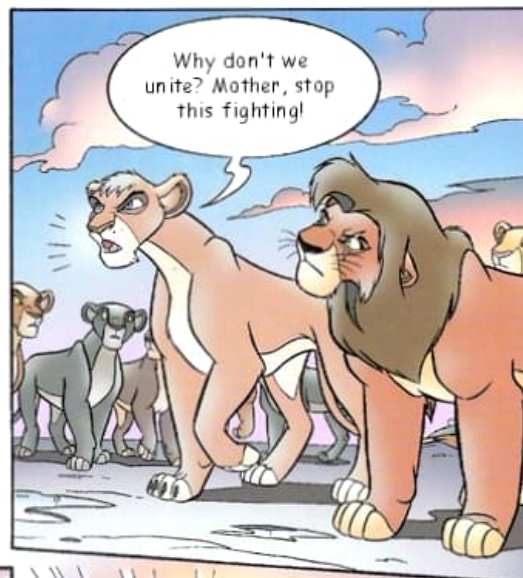

Kovu...
I was wrong.

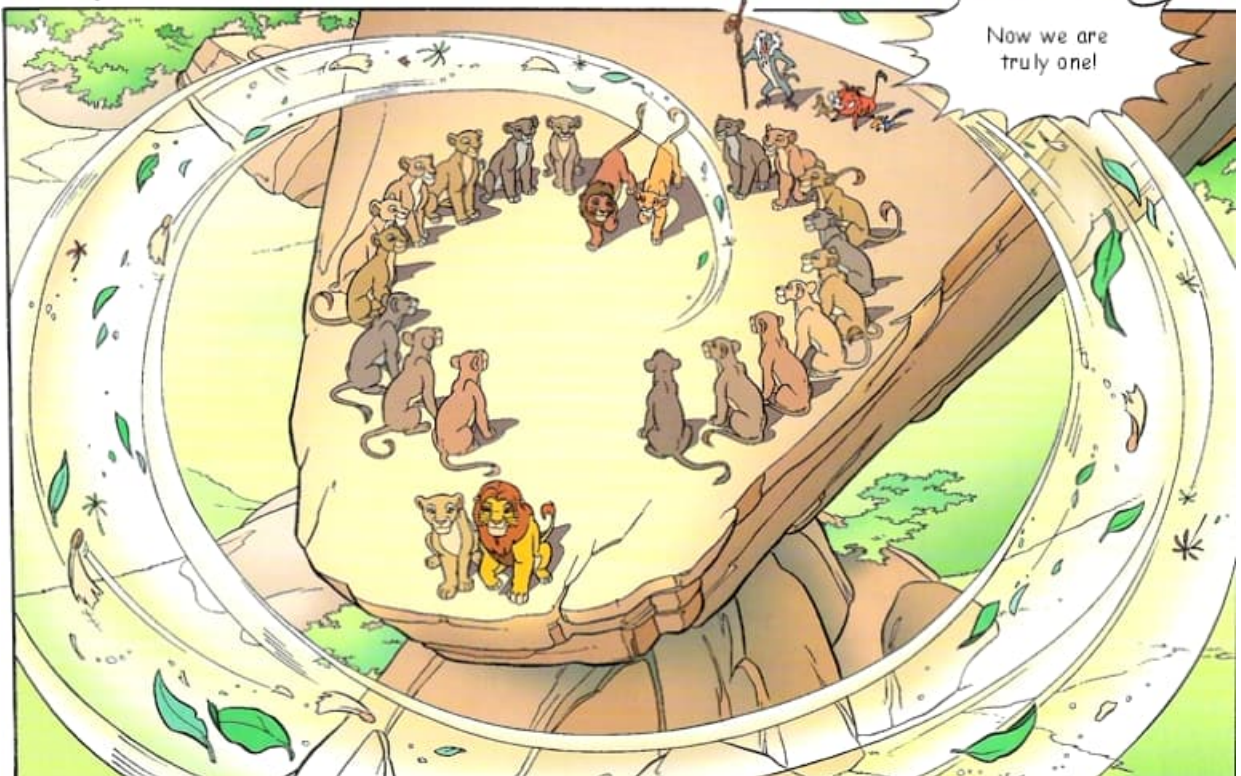

Let's go home...
all of us.

Yes, Mufasa!

You have reason
to rejoice!

Now we are
truly one!
